Please note that the Academy's curriculum consists of six comprehensive modules. Its sequence and structure are wisely planned, building on the previous module segments. Therefore, participants must have completed all module segments to receive a Certificate. Each module consists of 12 parts, scheduled in five-hour classes, totaling 55 hours, plus 2 hours of monthly recommended home studies and assignments.

There is the option to repeat the missed module segments later without an additional charge. A Certified Facilitator may make up missed classes before the next session for an additional fee. This service fee is \$ 100 per hour, with a minimum of three hours.

After completing all Modules, the Metaphysical Academy will provide a Graduation Certificate.
