Please note: *The Academy's curriculum of all 5 modules is very comprehensive and the sequence of its structure is wisely planned building on the following Module Segments. Therefore, participants must have completed **all** Module Segments to receive a Certificate of Completion. Each module consists of 12 parts on six full days, a total of 40 hours plus 15 hours of recommended home studies and home assignments. If a participant is not able to attend a class, there is the option to repeat the missed Module Segments at a later date without any additional charge. The missed class or classes may be made up with a Certified Facilitator prior to the next session for an additional fee. The fee for this service is \$ 100 per hour with a minimum of three hours to be scheduled with the facilitator.*

A Graduation Certificate will be provided after completion of all Modules and an exam.
